The results of the survey had been retained in a sealed box prior to the meeting and had been locked by the parish clerk in a filing cabinet located in the office at the Village Hall. It was agreed that Cllr Jackson should read out the option of each person who had completed the survey. Results were recorded by the parish clerk. The results are:

Option A 35

Option B 7

Option C 6

Those wanting nothing at all (Option D) 16

3. Summary and conclusion of the results of the survey

It was concluded that the preferred option of the majority of residents participating in the survey is Option A. This is the option which the parish council will pursue.

Unfortunately during the earlier stages of the meeting there was some disturbance as a result of attempted interventions by some of those present. The chairman was obliged to warn those persons that if they persisted they would be asked to leave.

There being no further business, the chairman thanked everyone for attending and the meeting ended at 8.10 pm
