

## **Updates on new signature applications**

### **NS & I**

The signatory details on this were very out of date and indeed only one signatory was still with the parish council. I wrote to the NS & I as I was sure their application process had changed in the past decade.

We can have 3 signatories on this account but the application form must include excerpts from TPC minutes where the new signatories are approved and the application must also be signed by 3 parish councillors who are not signatories.

Cllr Smith has agreed to continue and Cllr Brogan and I will serve as the other two signatories.

### **Lloyds bank**

All signatories have been updated on these 2 accounts. When a new councillor has been appointed to replace Owen MacKay, further changes will be made.

### **Cambridge BS and Saffron BS**

All signatories have been updated on these accounts

**Sue Meehan**

**Parish Clerk**
