

Updates on new signature applications

Lloyds Bank

The applications to add both Sue Meehan and David Schneider and remove Martyn Corbet were posted, recorded delivery on 23/9. They totalled 20 pages and required 4 signatures to process. If the applications are accepted then the next step will be that both Sue and David will need to present their validating documents to a branch before they are included in the Full Power Signatory Mandate.

Cambridgeshire Building Society and Saffron Building Society

Cambridgeshire Building Society (1 account application) and Saffron Building Society (2 account applications) have been completed. They totalled 18 pages and required 5 signatures.

The applications to add Sue Meehan and remove Martyn Corbet will be presented in Sawston and Royston branches on Friday or Monday next week with validating documents.

These applications have taken up hours of my time and were exceptionally complex.

Thanks to all who signed them.
